TMMS S.P.E.E.R. Program Fire Safety Week

S.P.E.E.R. (Special Education Enrichment Room) teacher Melissa Mel and Rural Metro Wildland Fire Fighter, J.D. Pardo, teamed up recently as a mother and son team to bring fire safety instruction to students in the S.P.E.E.R. program at Thunder Mountain Middle School. Students were able to acquaint themselves with firefighters' gear and to practice Stop-Drop-Roll techniques. It was part of a Fire Safety Week.
